CBSE Cumulative Percentage: 87.2/100          Jun 2021

**10th Standard**

**DAV Public School**      Kotkapura, Punjab,India
CBSE Cumulative Percentage: 87.8/100          May 2019

**Projects**

**Facekey**          Jan 2024 – Apr 2024
A face detection system to autofill the login details of students.
- Developed a facial recognition-based desktop application that automates login by detecting the user's face.
- Developed the whole UI/UX design of the project.

**Boutiq**          2025-05-23 -Ongoing
A platform to give orders for designing and stiching clothes. (This project is for my mother.)
- Crafted a visually stunning and responsive design using CSS, incorporating flexbox and grid systems for pixel-perfect layouts.
- Implemented a performant lazy loading mechanism for images using JavaScript, reducing initial page load times by 25%.
- Ongoing integration and optimization of Google Maps API to dynamically track and display customer locations, providing a seamless and personalized experience for users engaging with the platform to place orders, reflecting the project's commitment to continual innovation.

**Experience**

**Co founder   VCab**
Jul 2023- Mar 2025
- VCab is a firm where we provide cab services for our university students in an easier way, by connecting through cab drivers.
- Achieved a significant milestone with 1300+  bookings completed within a span of 2 year, and did the revenue of Rs 2,00,000.
